

YOUR HEARING IS IMPORTANT

I had difficulty participating in group conversations
I couldn't practise my music
I felt isolated and alone
I lost my laugh
I wasn't able to hear on the telephone
I struggled in business meetings
I was scared of losing my career
I lost my job

**YOUR HEARING WON'T HEAL
ITSELF, BUT WE CAN HELP.**

COCHLEAR IMPLANT CANDIDATE EVENING

A special event to celebrate Cochlear Implant Awareness Day. Hear from our Implant Client Support Officer and a special guest who will answer your questions and share their cochlear implant experiences.

Date | Tuesday 21st February 2023

Time | 6.00pm (doors open at 5.30pm)

Location | Boardroom Level 2, 1 Salvado Rd Subiaco

RSVP | By Friday 17th February 2023

Scan the QR code to book online, phone 0427 384 989 or email hello@earscience.org.au
