## Comprehensive Hearing Services

With appointments to suit your patient, we take the time to understand your patient's current hearing requirements, and our recommendations are backed by research and catered to their current needs. We are commission-free and offer a complete range of hearing devices from leading manufacturers.

All Pensioners and DVA clients receive fully subsidised hearing tests under the Hearing Services Program.

## Simple Referral Pathway

**E referral** | Healthlink address (EDI): lionshcl

**Email** | [book@lionshearing.org.au](mailto:book@lionshearing.org.au)

**Call** | 1800 054 667

**Online** or via **QR code**

<https://www.earscience.org.au/health-professionals/>

Once your referral has been received, we will triage your patient into the appropriate appointment. The referring GP, will be sent the Audiology report following the assessment.

# If your patient has trouble hearing,

Listen to the science.  
Not the sales talk.

Thank you for making your patient's hearing care a priority and choosing Lions Hearing Clinic – your trusted hearing provider in Western Australia.

**GPs are crucial to detecting hearing loss, and research has shown that people are more likely to seek help from their GP.**

You can be confident in referring your patient to Lions for complete hearing services. Your patient will only receive the services they need from qualified Clinicians, from assessments to hearing devices & aids, tinnitus & cochlear implants.

Lions Hearing Clinic is proudly part of Ear Science Institute Australia.
